<b>PROJECT DURATION</b>	December 27, 2012 – December 27, 2016
<b>FISCAL YEAR &amp; FUNDING LEVEL</b>	FY 2012: \$5,000,000
<b>PROBLEM TO BE ADDRESSED</b>	<p>An estimated 1.25 million children between the ages of 5 and 14 (37.8%) work in Burkina Faso, many of them in hazardous child labor and forced labor in gold and cotton. Roughly 34 percent of children work in Boucle du Mouhoun, 25.5 percent in Cascades and 17.3 percent in Hauts-Bassins.</p>
<b>TARGETS</b>	<p>The project will address the key drivers of child labor and directly benefit more than 10,000 youth working in the artisanal gold mining or conventional cotton fields and 1,000 households.</p> <ul style="list-style-type: none"> <li>• 4,000 children and youth <i>engaged in exploitative child labor</i> will be withdrawn from such work and enrolled in educational programs;</li> <li>• An additional 6,000 children <i>at high risk</i> of entering child labor will be enrolled in formal education services; and</li> <li>• Support to 1,000 households to develop safe, alternative sources of livelihoods and income.</li> </ul>
<b>PROJECT OBJECTIVES</b>	<p>The project will reduce the overall number of children engaged in exploitative child labor in artisanal gold mines and cotton fields of Burkina Faso. The project will also assist households in meeting their livelihood needs in order to reduce their reliance on child labor.</p> <p>The project is organized around achievement of the following four objectives:</p> <ul style="list-style-type: none"> <li>• <b>Objective 1: Awareness Raising and Social Protection:</b> Increased awareness raising on the dangers and impacts of child labor and the specific hazards encountered in the cotton farming and artisanal gold mining.</li> </ul>
